

INFO-MATRIX CORPORATION

TECH NITE

WHAT IS TECH NITE?

Tech Nite is a monthly event where our technical professionals share information about technology products and solutions, and our business professionals share information about industry markets and client projects.

WHY SHOULD YOU ATTEND?

Technology is changing at an exponential rate so sharing innovative solutions, methods, and tips will accelerate everyone's understanding. Additionally, technology has become a strategic differentiator in driving business, so when you are talking with a businessperson to solve their problem, knowing the macro and micro industry challenges will position you as a trusted advisor to provide recommendations, not just a technologist who takes orders.

WHAT TO EXPECT?

A fun time, light refreshments, and sharing information with your peers!

WHO CAN ATTEND?

It's open to Info-Matrix employees, contractors and invite your friends!

LOCATION?

4550 Lena Drive, Suite #104, Mechanicsburg PA, 17055

WHAT IS THE DATE & TIME?

Every Third Thursday of the month from 5:30pm to 6:30pmish!

HOW TO ATTEND?

Due to the collaborative nature of information sharing, the best way to attend is in person. However, there will be a Teams Virtual Meeting setup. If you require a Teams virtual meeting, please contact an Info-Matrix employee for the meeting information.
